## Recommended Point①

# *food*

TEL T will take you to high-class restaurants for Lunch or Dinner instead of reasonable restaurants where most bus tours select.

To arrange the best meal for you, we will research a type of food you prefer or allergy, also if you prefer smoking or no-smoking seats before the tour.

Tokyo is a big gourmet city, has many fabulous Restaurants with professional service. Please enjoy to have a great cuisine in Tokyo.

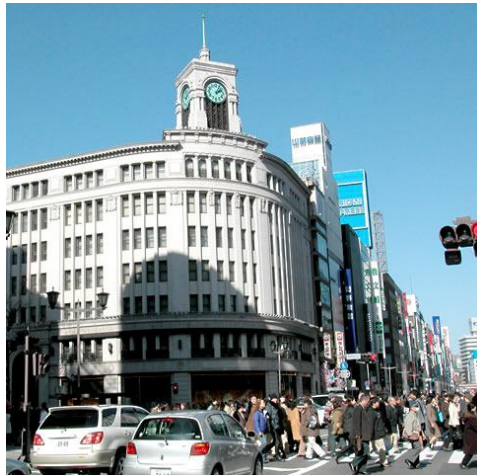

## Recommended Point ②

# *tour*

Tokyo has many unique towns such as ASAKUSA where the oldest temple is, AKIHABARA where 'Otaku' culture started from, or Roppongi ,where cutting edges meet and more.

*TELT* driver, expert of Tokyo, will show you around the city. *TELT* is a very private tour, you can always ask to stop the limo and take a picture any location you intent.

English/Chinese Speaking Tour Guide will attend to make your tour more comfortable.

## Recommended Point ③

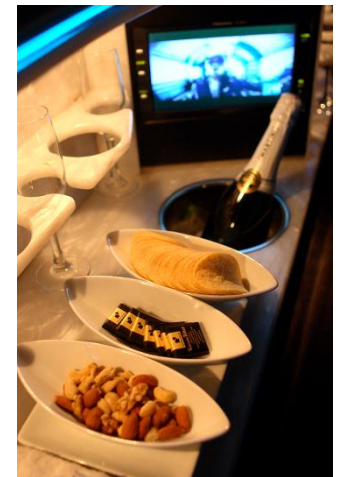

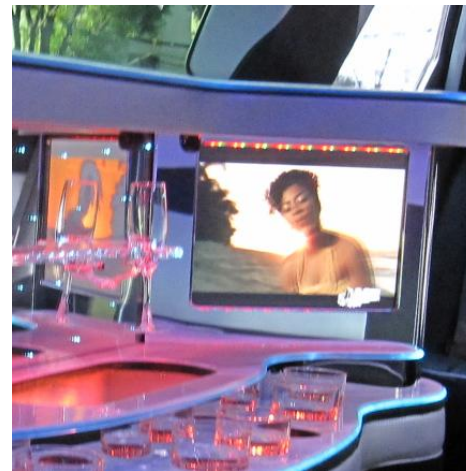

# *limo*

The most important issue of driving tour is Comfortable & Safety.

Our Limousine seats are faced on each other, surrounded a drink bar. *TEL*T is absolutely different from bus or taxi tour. All eyes on your limousine even during a tour. Enjoy this priceless moment with drinking champagne and having a nice conversation.

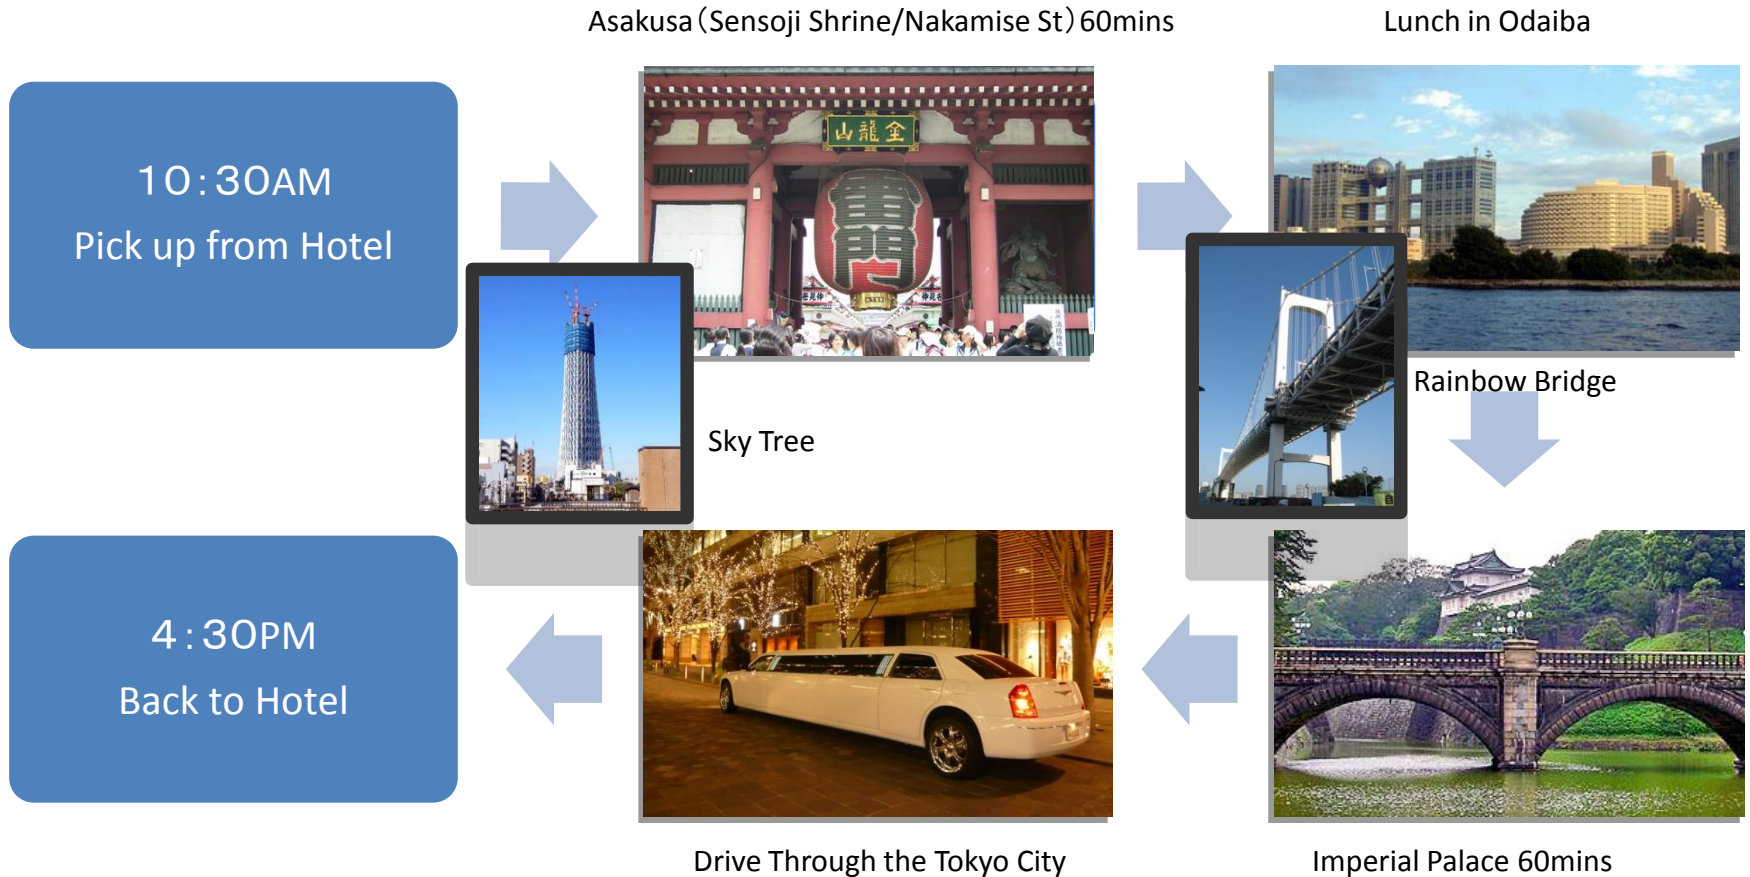

During our limousine drives through the city, you can have explanations about landmarks or town by voice guidance from Audio speaker of limo.

We also can prepare alcohol drinks, fruits or snacks if you requested.  
All vehicles are forbidden for smoking.
